Updated design classics have come full circle

This year we were delighted to welcome back Afra and Tobia Scarpa's 'Miss' chair from 1986 and Walter Knoll's '375' chair series from 1957. New old lighting came in the form of the iconic 'Taccia' lamp by the Castiglioni brothers, now available with a dimmable LED in a black or silver anodised finish, while Gino Sarfatti's 'Model 2065' pendant has been revived by Danish/Italian brand Astep. Meanwhile, Italian carpet maker Amini has translated Joe Colombo's sinuous pop shapes into rugs in a series of colour palettes.
